

PUTTING THE FUN IN FUNDRAISING

The Merry Dairy's mobile frozen custard truck would love to be at your School Carnival, Year End BBQ, Sports Day or Fundraiser. We can help your school raise money by donating part of all revenues generated by the truck.

WHAT DO YOU SERVE?

We serve freshly made frozen custard, a premium ice cream which is made right inside the mobile truck! We also serve a non dairy lemon Italian Ice.

HOW BIG IS THE MERRY DAIRY TRUCK?

20x8 feet & requires a flat parking surface.

DOES THE TRUCK NEED POWER?

The Merry Dairy has its own generator that runs on biodiesel, however it is even quieter if it has access to an outlet.

IS THE MERRY DAIRY INSURED?

We have our own liability insurance and Health permits.

HOW MUCH WILL IT COST?

For school fundraising efforts we cover the cost of set up and travel fees. We donate based on the number of scoops sold.
